National Association
for Music Education

Tri-M Chapter of the Year Scholarship Award

Three Junior Division and three Senior Division Chapters are recognized in each school year. One qualifying chapter from each state will receive recognition for being their state's Chapter of the Year.

The National Chapter of the Year Program is designed to motivate and reward chapters that perform service projects, encourage Chapter Officers to perform their duties properly, and increase awareness and interest in what other Tri-M chapters are doing.

Since 1985, Tri-M has given over \$140,000 in Chapter of the Year Scholarship Awards to chapters across the country making a difference in their communities.

All active chapters are eligible to participate.

This application will be available until March 24 at 12pm ET.

Tri-M Chapter of the Year - Project 1

Project 1 Title

STUDENTS, please describe the service project your chapter participated in.

600 words

Be sure to include the following details: ● Please provide general details about the project - **WHO** it included and served, **WHAT** it was about, **WHEN** it took place, **WHERE** this project occurred, **WHY** your chapter planned this specific project, and **HOW** it was planned and executed. ● How did this project incorporate or engage the target group through music? ● How did this project create enthusiasm for scholarship? The Oxford Dictionary defines scholarship as, "Academic study or achievement; learning at a high level." ● How did this project promote leadership and service within the chapter? ● What were the positive outcomes of this project? What would you change?

ADVISORS, please add any additional details about this project that you think would be helpful for the rating committee to know.

250 words

OPTIONAL, upload photos or files from your service project.
